Call to Order

Adoption of Agenda: The agenda was adopted unanimously.

Remarks from the President: President Matos welcomed everyone to the meeting.

Remarks from Administrative Liaison, Dr. Kevin Railey: Dean Railey stated that we need to get more Senators to attend the meeting since this is a responsibility that they are to uphold.

Committee Reports: Social Welfare Committee—Senator Shaw contact Lloyd's Taco Factory and found out the cost of the event. The deposit for the event is \$300.00. Lloyd's will need a head count by March 13th. There is no specific date and time for the event yet but Senator Shaw is looking to have it sometime in April.

New Business: The elections for the E-board and Senator positions are coming up. It is essential that we broadcast this so that all available seats can be filled.

Secretary Blake and Treasurer Delia committed to assisting **Vice President Tucceri** with the Graduate Student Research Fair. A meeting for this is to be held soon and **Vice President Tucceri** will be reaching out to BSC TV and BSC Radio to see if they would be willing to help broadcast the event. In the meantime, the announcement for the thesis competition has been sent out to all Graduate students. **Secretary Blake** informed the E-Board and Senators about a professor who would like to hold an event for the Graduate students but wanted to see if the GSA would be willing to help broadcast the event since the professor is struggling to capture the Graduate student body's attention. The professor is not asking for any money from us; they are only asking for assistance with communication. The GSA did not see any issue with this and committed to assisting the professor.

Movement to Adjourn is seconded. Session has ended.
