Call to Order

Adoption of Agenda: The agenda was adopted unanimously.

Remarks from the President: President Matos welcomed everyone to the meeting.

Remarks from Dr. Nicholls: Dr. Nicholls stated that he was happy to see everyone here and hopes that everyone's semester is going well.

Committee Reports: Social Welfare Committee—Senator Shaw said that the Lloyd's Taco Factory event is on March 13th from 2-4 pm. Everyone that attends will be able to get an entre, a side, and a drink. We are hoping to have a good turn out even though it is short notice. **Senator Shaw** is still working on booking more events. One of the events is about financial planning and paying off loans. He is looking into booking a room for a date in April.

New Business: The elections for the E-board and Senator positions are coming up. It is essential that we broadcast this so that all available seats can be filled.

Secretary Blake and Treasurer Delia committed to assisting **Vice President Tucceri** with the Graduate Student Research Fair. A meeting for this is to be held soon and **Vice President Tucceri** will be reaching out to BSC TV and BSC Radio to see if they would be willing to help broadcast the event. In the meantime, the announcement for the thesis competition has been sent out to all Graduate students. **Vice President Tucceri** handed out flyers to everyone so we could hang them up and pass them out to peers. **Secretary Blake** suggested that we hand them out at the Lloyd's Taco event as it is an opportune time with a captured audience. **Senators Lewis and Shaw** stated that they would like to have an end of the semester event for Graduate students and for those who are graduating, to get class shirt and a goody-bag. Everyone liked this idea so it is something that we will have to work on.

Movement to Adjourn is seconded. Session has ended.
